

Canada's National Ukrainian Festival

Virtually July 30, 31st & August 1st, 2021

Canada's National Ukrainian Festival Cancellation and or postponement of Event Policy for Sponsors / Delegates Effective April 2021

In the event where Canada's National Ukrainian Festival is canceled or postponed due to unforeseen circumstances the following policy will be in effect on the day of cancellation or postponement of the event. All sponsors / delegates will be notified of the event cancellation or postponement in written confirmation within fourteen (14) days of the release of cancellation or postponement.

Canada's National Ukrainian Festival's sponsorships deadline is the thirty-first of March on the year the event is taking place. This year with the Covid-19 Pandemic, Canada's National Ukrainian Festival Board of Directors did not send out Sponsorship Packages with the unknown if the Festival would be able to take place with Provincial and Government restrictions. New opportunities for Sponsorship for our Virtual Festival will be available in the near future. Canada's National Ukrainian Festival Board of Directors has put the following protocol in place in the event of the cancellation or postponement of Canada's National Ukrainian Festival.

Any sponsorships of In Kind and or Monetary value received from the 2020 Festival year that was rolled over, Canada's National Ukrainian Festival will have the following options available to them:

- Sponsors / Delegates of In Kind or of Monetary value have the option to roll over the funds, for the next occurring festival year or be used within our Virtual Festival (new opportunities to be presented in near future). Advertising on our website and social media will still stay in effect.
- Sponsor / Delegates can request a partial or full refund for the sponsorship dollars paid to Canada's National Ukrainian Festival. They will forfeit all advertisement opportunities for the year. If partial funds are left with Canada's National Ukrainian Festival, they are eligible for a tax receipt. Sponsors/Delegates must submit written communication to Canada's National Ukrainian Festival if they want a full refund.

Sponsors / delegates will have no more than thirty (30) days to respond back to Canada's National Ukrainian Festival after the sponsor / delegate has received this policy. Sponsors / delegates must respond in written confirmation as to which option was chosen for their sponsorship of In Kind or of Monetary value.

Policy Effective April 2021
